

2022 SaskFirst Waterski Team Selection Criteria

The purpose of the SaskFirst teams is to develop Saskatchewan excellence in waterskiing. We hope to develop young athletes and see them medal at nationals, contribute to provincial standings at nationals, receive invitations to national teams, and compete at major international tournaments.

We are striving towards this goal of developing young athletes by increasing training accessibility, providing access to top-level coaches, and removing barriers to participating in the sport.

The following outlines the selection criteria for the HP and development SaskFirst teams. Each interested athlete must email their application to wswsask@gmail.com by **Feb. 28th, 2022.**
