Waterski Wakeboard Sask
SaskFirst Application 2027

Welcome to the 2027 application process for the SaskFirst team for Waterski and Wakeboard Saskatchewan. Congratulations to each athlete on a successful season, our team had amazing growth and success due to the hard work of the athletes and the dedication and knowledge of our coaches

The November application date allows Waterski Wakeboard Sask to:

- use the results from the 2026 season when reviewing the applications
- hire and secure next season's team coach well in advance
- allow the team coach to work with the athletes named to the HP team during the offseason to develop the season plan for training and competitions
- plan with the provincial coach for development if there is an opportunity to train out of province
- give the coaches and athletes a season plan based on the tournament schedule, especially if there are requirements for applying for National team opportunities
- plan next season's camps and book external coaches if necessary
- issue training cards amounts for each HP SaskFirst qualifying team member based on scores in each discipline and overall rankings
- give time for team members to work on fundraising to help with the costs for their training and competition fees

Your application and scores from 2026 will be reviewed, and you will have the opportunity to be placed in:

- the High-Performance program
- the Development program
- Prospects

The responsibilities for each team member are outlined in the application, and the potential for assistance at each level of the team is described in the policy manual on our website.
